

KORAL 4T 10W40 SL

MOTORCYCLE OIL

Specially designed for modern, high-performance and four-stroke motorcycle users. It reduces high pressure and friction losses in the engine and provides excellent acceleration and power under race track conditions.

Features and Benefits

- ✓ Provides excellent protection against sediment, sludge and oxidation.
- ✓ Air absorption and foam formation are minimized even under the most severe operating conditions.
- ✓ Thanks to its special formulation, this oil provides excellent protection for gearboxes and wet clutches.
- ✓ It quickly provides a solid lubricant film for optimum protection of the engine at low temperatures and cold starts.
